Subsequent Encounters

- ▣ After the robberies the silver BMW is contacted several times by Law Enforcement officers in Southern California. These contacts are as follows:
 1. Sheriff's deputy observes the BMW at a gas Station. The deputy approaches the vehicle from behind with his gun drawn and orders the driver out. The driver ignores the deputy's commands, puts the vehicle in reverse and attempts to run the deputy over. The suspect flees.

Subsequent Encounters cont'd

2. An officer observes the BMW and begins to approach. The driver of the BMW attempts to run the officer over and flees, escaping capture.
3. An officer approaches the BMW believing it is unoccupied. The BMW starts and flees. No assault or confrontation during this contact.

So. Cal. Law enforcement officers are searching for a Silver BMW with Century paper plates.

Investigators attempt to identify the suspect and develop a possible suspect named "[REDACTED]"
(It is later determined that [REDACTED] is not the occupant of the BMW)
At this point no definite suspect I.D. has been made.
